

EXCELLENCE IN
REMANUFACTURING

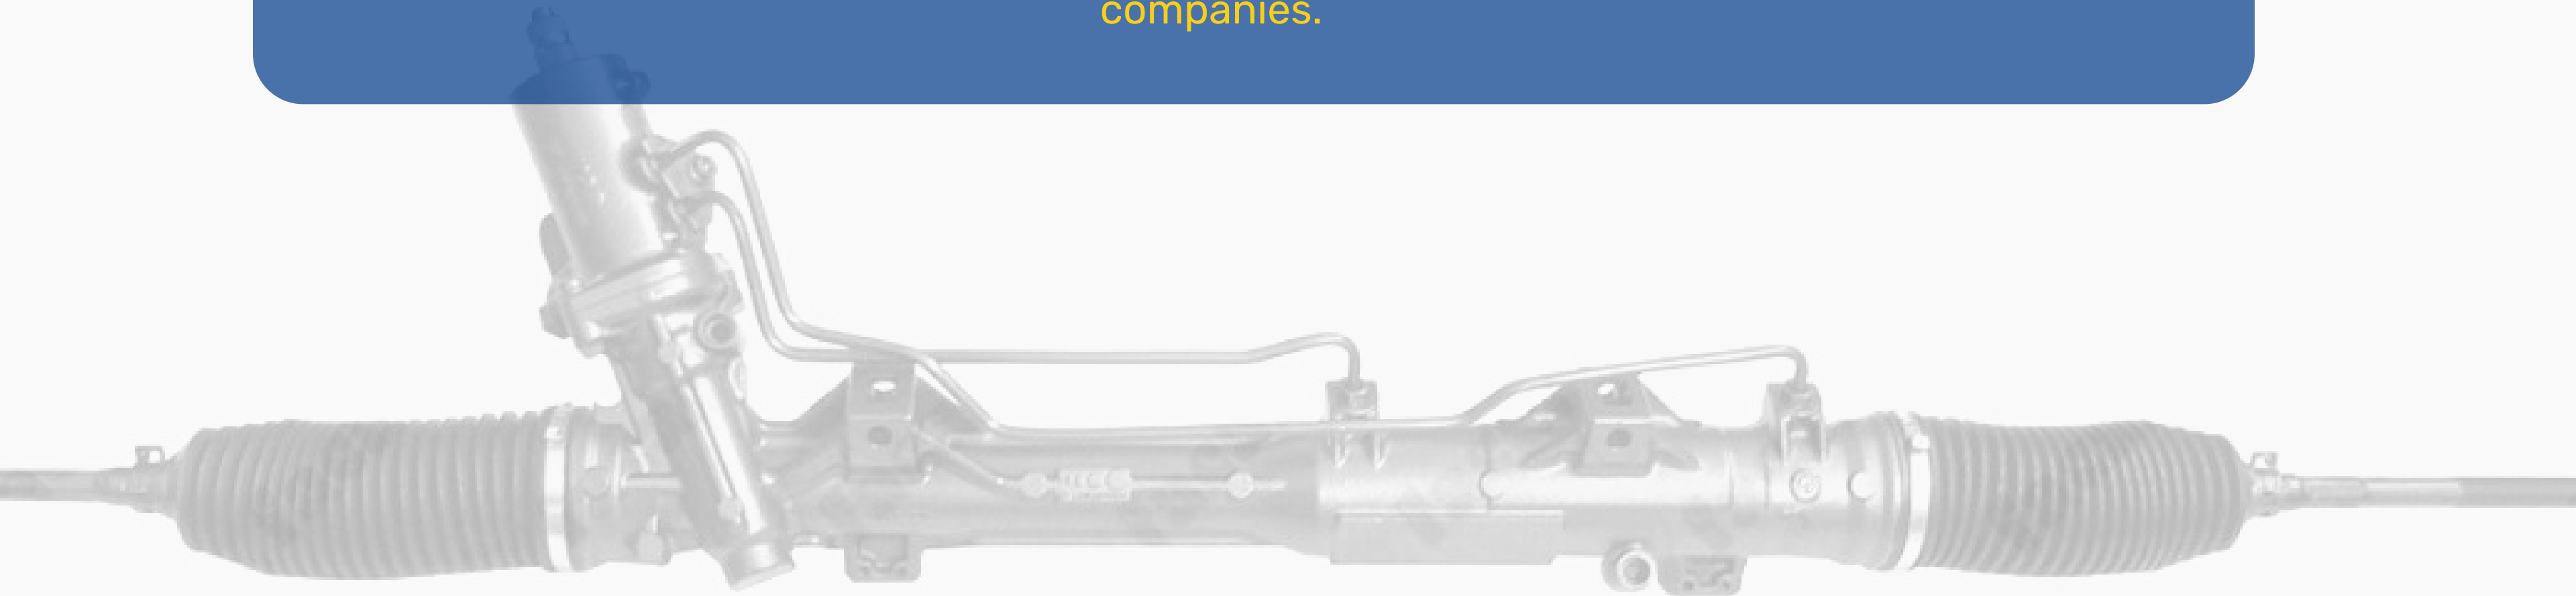

Who We are

Since '70s FACAR is a leading company in the field of Automotive Aftermarket Spare Parts. Thanks to its founder Sergio Perilli we registered a great growth path, both economics and professional.

Skills and Professionalism allow to enter in the IAM (Independent After Market) Sector as Manufacturer and Distributor of Remanufactured Steering Systems

In order to guarantee the high standards and reliability FACAR is ISO 9001 Certified. We are present in several countries also with relevant agreement with primary distribution companies.
